Seeking God's Word in September

This month we will be continuing our journey through the Bible Basics Devotional on Wednesday. Here we will develop a better understanding of God, how He relates to His Son Jesus, and the relationship of the Holy Spirit forming the Trinity, and how this all ties together and what it means for us. Why is understanding the Trinity important, and how do we make sense of a 3-in-1 being? This is a question that has been burning in the hearts of Christians since the third century. Jesus made an impact on this world, and history shows us that as early as 300AD, biblical scholars were debating how this man called Jesus was related to the God in Scripture, and the importance of understanding this relationship.
